It intimates parents about the attendance of their wards. The beauty of this developed system is after every class once the attendance is marked by the faculty it intimates the parents instantly through SMS, as the contact numbers of the parents are already feeded into this online system by college. Moreover weekly online attendance report is directly emailed to respective mentors of the students for proper counseling and guidance related to attendance or any other issues faced by the students for which they may be absent to the class. However the system also sends an sms to the faculty members if they forget to mark attendance for any of the scheduled classes taken by them.	50000.00	0.00	3120

They are authorized to make all academic decisions as per the rules and regulations stipulated by the Osmania University. Interdepartmental issues are discussed in the Heads of the Departments meetings prior to arriving at a decision. Any changes in the governing rules and regulations are communicated to all the Heads of the Departments through notices. The Heads of the Departments, in turn, communicate them to their respective teaching and non-teaching staff. As far as Grievance redressal is concerned, there is a committee looking after the matter. The Grievance Redressal committee is intended to undertake the processes of attending to the grievances put forward by the students and staff. It focuses on setting proper facilitation procedures for settling the issues in a cordial atmosphere. The committee shall take into consideration all the redressal criteria and rules and regulations of the AICTE, UGC and Osmania University.	50000.00	0.00	5
