

MUFFAKHAM JAH COLLEGE OF ENGINEERING AND TECHNOLOGY  
CODE OF ETHICS TO CHECK MALPRACTICE AND PLAGIARISM

In order to promote academic integrity and prevention of plagiarism this institution maintains strict policy with regard to the research work carried out by the staff and students.

These regulations are put in force in compliance with the vision and mission of the Institution and the UGC regulation notified from time to time.

This institution mandates the regulations for assessment of academic and research work done leading to the partial fulfillment for the award of degrees at Masters and Research level, by a student or a faculty or a researcher or a staff, in the form of thesis, dissertation and publication of research papers, chapters in books, full-fledged books and any other similar work, reflect the extent to which elements of academic integrity and originality are observed.

These regulations shall apply to the students, faculty, researchers and staff of this Institution.

This institution uses Drillbit Anti-Plagiarism software to ensure that documents submitted by students, faculty and staff are free of plagiarism. This Anti Plagiarism software is accessible to all

engaged in research work including student, faculty, researcher and staff.

Every student submitting a thesis, dissertation, or any other such documents shall submit an undertaking indicating that the document has been prepared by him or her and that the document is his/her original work and free of any plagiarism.

Every faculty submitting a research paper, chapters in books, full-fledged books and any other similar documents shall submit an undertaking indicating that the document has been prepared by him or her and that the document is his/her original work and free of any plagiarism.

The anti-plagiarism software facility is extended to the students and faculty of MJCET involved in research work leading to submission of M.E/M.Tech/PhD thesis and/or submission of research paper for publication in journal/conference. The applicant is required to submit the document to the designated authority through proper channel for anti-plagiarism check. Subsequent to processing of the document by the anti-plagiarism software, the generated summary and detailed report is sent to the applicant through email.

### **Similarity checks for exclusion from Plagiarism:**

The similarity check for plagiarism excludes the following:

- i. All quoted work reproduced with all necessary permission and/or attribution.
- ii. All references, bibliography, table of content, preface and acknowledgements.
- iii. All generic terms, laws, standard symbols and standards equations.

The mechanism established and prescribed in the above code is to enhance the awareness about responsible conduct of research and academic activities, to promote academic integrity and to prevent plagiarism.
