

## IEEE EDS MJCET EVENTS

The following event was organised by IEEE EDS in collaboration with IEEE MTT-S

### Event : E-Works (Technical Workshop)

The IEEE EDS SB MJCET in collaboration with IEEE MTT-S organized a hands on workshop on E-Works on 24<sup>th</sup> DEC 2022 from 1:30 pm to 3:30 pm(IST). In this event we made the following four projects.

- 1.mobile charger
- 2.FM radio
- 3.Solar charging
- 4.Footstep power generation

The event started with a theoretical introduction on the above topics followed by the hands on session.

Students actively participated in this event and learnt how to make their own circuit , this was a very interactive session and the students were very responsive.They all gained a good technical knowledge and learnt something new which will help them to improve their skill set. The next session was a quiz round, all the students who have attended the work shop participated in the quiz and the winners were awarded with exciting prizes.
