

IEEE CASS MJCET WORKSHOP

The following workshop was organized by IEEE CASS Chapter.

ELECTROVISION: BASIC ELECTRONICS

The IEEE CASS SB MJCET organized a workshop on how to build circuits of Dark & Light sensor and Water level indicator on 26th November 2022 from 1:45 pm to 4.00 pm for ECE first years where CASS team have explained about the components like (Transistors, Resistor, Buzzer, LED, LDR Sensor, Breadboard) and circuit diagrams followed by a hands-on session where the students have built the circuits by themselves. We also conducted a quiz of 15 questions at the end of the session.

Venue: Room Number: 1401, Muffakham Jah College of Engineering and Technology

Number of Attendees: 40
