

DEPARTMENT OF ENGLISH

ORATORS' CLUB

The Orators' Club, the flagship of the Department of English, was set up in 2003 and was revived in 2009.

The core objective of the club is to develop students' oral and written communication skills by an array of communication activities such as formal presentations, group discussions, debates, elocutions and Essay writing competitions. The list goes on.

In addition to the above, the overall objective is to develop not only their language skills but also focuses on bringing an overall holistic personality development by involving them in various literary activities.

The club creates a platform where students can showcase their creative spirit without any inhibition. It will not be an exaggeration to say that the club has made a great impact in the psychological, social and cultural development of our students.
