

MUFFAKHAM JAH COLLEGE OF ENGINEERING AND TECHNOLOGY

Institution's Innovation Council - MJCET

Session Details: Prescribed Annual Calander Activities

Title of the session: Basics of IPR and its importance for Innovators and Entrepreneurs

Date: 04-11-2024

Duration: 10:30AM to 12:30PM

Activity Category: IIC Calendar

Theme: IPR

Expert/Speaker Details:

Name: Dr. Ishrat Meera Mirzana

Designation: Professor, MED

Organization: MJCET

Brief about Expert/Speaker:

Dr. Ishrat Meera Mirzana, a Professor of Mechanical Engineering at MJCET, Hyderabad, holds a Ph.D. in Functionally Graded Materials from JNTU. With two decades of teaching experience, she serves as the R&D Cell Coordinator, KAPILA-MJCET SPOC, and Director of EWB-India. She has authored 20 textbooks, published research papers, and holds multiple patents, including an Australian patent. Recognized for academic excellence, she has received prestigious awards such as the Research Ratna Award and Best Women Faculty Award. A research supervisor at Osmania and KL University, she actively contributes to IPR, AICTE-ISTE programs, and national-level webinars, inspiring academic innovation.

Outcome of the activity:

The main objective of the session is to upskill and explore the knowledge about IPR and their importance for innovators and entrepreneurs. The following are the outcomes:

1. To equip participants with essential knowledge of IPR and its role in fostering innovation.
2. The Attendees will gain insights into filing patents, protecting intellectual assets, and understanding legal frameworks that impact startups and businesses.

This session will provide innovators and entrepreneurs with a fundamental understanding of Intellectual Property Rights (IPR). Participants will learn about patents, copyrights, trademarks, and trade secrets, along with their significance in safeguarding innovations. The workshop will also cover strategies for leveraging IPR for business growth, commercialization, and legal protection.

MUFFAKHAM JAH COLLEGE OF ENGINEERING AND TECHNOLOGY

Institution's Innovation Council - MJCET

Key Highlights:

The workshop on **"Basics of Intellectual Property Rights and its Importance for Innovators and Entrepreneurs"** will provide a comprehensive understanding of Intellectual Property Rights (IPR) and their role in protecting innovative ideas. Participants will gain insights into patents, copyrights, trademarks, and trade secrets, learning how these legal tools safeguard inventions and creative works. The session will highlight the process of patent filing, trademark registration, and copyright protection, offering practical guidance for innovators and entrepreneurs.

Participant details:

Total no. of Student participation: 35

Total no. of Staff (Teaching/Non-teaching) participation: 10

Three to four Photographs/Screenshots that show the participation of students and Staffs (Teaching/Non-teaching)
