Into The Web3 Metaverse

By

IEEE SMC and Lumos Labs

With Speaker Nikhil Aparajit

Community Lead at Lumos Labs

EVENT DETAILS

Date of the Event: October 17, 2022

Venue: Seminar Hall (Block-4) - MJCET

Number of persons attended: 180

Collaboration with: Lumos Labs Speaker-Nikhil Aparajit

Timings: 9:30 AM - 11:30 AM

IEEE SMC MJCET in collaboration with Lumos Labs conducted an event “Into the Web3: Metaverse” with Nikhil Aparajit, Community Lead at Lumos Labs as guest speaker. The event provided the students with a good perspective on BlockChain and Web3 by introducing them to trending cryptocurrencies like Ethereum and Bitcoin.

Speaker Nikhil Aparajit addressing the crowd

The event also provided a productive Hands-on Session for students to build their first NFTs (Non-Fungible Tokens), DAPPs (Decentralized Applications), DAOs (Decentralized Autonomous Organizations).
