Details of Patents granted to the department faculty

S. No.	Patent Name	Published /Granted	Patent Application No	Date of Publication / Grant	Name of Inventors, designation and department
1	IOT Based Real Time Health Care System Enabled By Wearable Sensor Network	Published	202111002807	29/01/2021	Dr. Mohd Pasha, Assistant Professor, ITD, MJCET
2	A Novel Method Of Power Reduction In Modified AES Using Bit Encryption And Decryption Transition Scheme On FPGA	Published	202141006425	19/2/2021	Dr. Devasish Pal, Professor ITD, MJCET
3	Secure Human Authentication System with Three Level Multimodal Biometric Fusion Using Artificial Neural Networks	Published	202141016077	16/4/2021	Dr. Mousmi Ajay Chaurasia, Professor ITD, MJCET
