

Dr. S. Khadar Vali has passed B.Tech (Mechanical Engg.) from JNT University College of Engineering, Anantapur in First Class with Distinction in the year 1988. He passed M.Tech (CAD/CAM) in the year 2000 and subsequently Ph.D degree in the year 2010 from JNT University, Hyderabad. He worked in various industries like cement, plastics and experienced in the maintenance of material handling equipment, high rolling mills and production of thin plastic sheets used for blister packaging. After having worked in industry for 6 years, he joined in teaching in the year 1994 and has been continuing for the past 28 years. He worked in engineering colleges like SCET, GRIET, SHCST before joining in MJCET. He held many positions including Head of the Department, and was instrumental in establishing various laboratories such as Mechanics of Solids, Fluid Mechanics and Hydraulic Machines, Thermal Engineering, Machine Tools etc. He has been teaching U.G. students in the subjects like Engineering Mechanics, Mechanics of Solids, Fluid Mechanics and Hydraulic Machines, Kinematics of Machines, Dynamics of Machines and P.G. students in the subjects like Mechanics of Composite Materials, Computer Aided Mechanical Design and Analysis etc. and imparting subject knowledge with required practical exposure. He is presently working as Professor & Chief Coordinator of M.E./M.Tech. Programmes and is a Supervisor for 8 research scholars allotted by Osmania University to carry out research work in the areas of Composite Materials and Design Engineering. He has 9 publications in international/national Journals and Conferences and is a life member of ISTE.
