

Mr. Mohd Hasham Ali joined as an Assistant Professor in Department of Mechanical Engineering, Muffakham Jah College of Engineering and Technology. He has been working since June 2015.

He obtained his B.E. degree in Mechanical Engineering and pursued his M.Tech in Design Engineering and currently pursuing his Ph.D from JNTU Hyderabad. Previously he worked as an assistant professor in Indur Institute of Engineering & Technology, Siddipet for three years and also worked as an assistant professor in Jaya Institute of Technology and Science, Warangal for one year. Machine Design, Design of Machine Elements, Kinematics of Machines, Dynamics of Machines, Metrology, Product Design & Process Planning and Entrepreneurship are the subjects taught by him.

He has registered a patent for “NACELLE OF WIND MILL” and has two patent publications. Apart from that he has 16 national and international research papers to his credit, 7 conferences, attended 17 FDPs and 24 STTP/workshops.

He is a member in an External Funded Project “TAKE OUT ROBOT” by HBL to guide the students for Design and Analysis.

His research interest is on Non conventional energy systems, Design Engineering, Electric vehicles and Hybrid vehicles. He is a Life Member of The Indian Society for Technical Education (ISTE) (LM 124443), Senior Member of the Indian Society of Mechanical Engineers (ISME) (SMISME) (SMISME20200224) , Life Member of the society of Innovative Educationalist & scientific research professional, Chennai, (FSIESRP), (LM171899622) , Member of society of Automotive Engineers INDIA (SAEINDIA), (7220410258), Member of “National Institute for Technical Training & Skill Development”, (Member ID: NITTSD/PROFESSOR/07439) and Member of the Institute for Engineering Research and Publication from 26/09/2019 to 31/12/2020, (Membership ID No.: PMIN76048325)
