Hi Rajni,

Amrutha Sai joined InsideView in December 2020. Since then she is part of an Application Engineering team.

Start from the initial training days she shows openness and eagerness to learn from others. She is welcoming new ways of doing things. She accepts feedback and tries to apply feedback to improve her performance. Amrutha is very hardworking and tries to finish all her tasks within the given timelines.

Amrutha exhibits good listening and comprehension skills. She expresses ideas and thoughts effectively for any given task. She keeps others adequately informed about any given situation.

Amrutha displays a positive outlook and in a pleasant manner. She takes a solution-focused approach to problems and maintains self-control under stressful situations. She adapts easily to changes in the work environment and changes approaches or methods to best fit the situation.

Amrutha shows respect to co-workers and management. We are very pleased with the work Amrutha and I look forward to many more years working together.

Virbhadasinh Chauhan

Dear ma'am,

We are very pleased to inform you that the campus placement experience has been extremely pleasant with MJCET.

We currently have over 10 recruits from your institution and are highly satisfied with their performance, sincerity and dedication.

They bring a zeal to learn and childlike curiosity to the table alongside their technical skills and our team and clients expectations are more than met!

We wish for this connection to continue in the future.

Best regards,
Jitsoma Banerjee

To: <rajinishiva@mjcollege.ac.in>

Hi Rajini,

We had an excellent experience with the candidates from Mufakkham Jha College of Engineering and Technology for our Software Developer openings.

We have a total of 14 selections from MJCET (both on campus and off campus). All of them have been offered the Internship+Full time Employment role.

Here is the score for all the candidates combined

Analytical and problem solving skills: 3.5/5

Programming Skills: 4/5

Communication Skills: 4/5

Willingness to learn: 4/5

We are excited to have these candidates as part of the Zemoso family and we wish to continue this association in the next hiring season.

Thanks & Regards

***** EXTERNAL EMAIL *****

Hi

We are in the preparation of documentation for applying NAAC, a renewal process for the current year.

As one of the criteria 1.4.1 in the NAAC application, it is required wherein employer's feedback on the student recruitment from our college/performance at your company.

A generic feed back would also be sufficient
