Wishing you all the best

Dear Sir,

Greetings from FACE !!

Further to the telephonic conversation, we are glad to share with you the details of our free 66-hour training program for the pre-final year students of your institution. While the COVID - 19 Pandemic has brought our lives to stand-still, it is imperative that we look out and protect each other, now, more than ever. The need to fight together has never been more necessary.

All colleges across the country have been forced to give a break during this time and we are not sure how long this might extend. By the virtue of our presence in the skill development industry over the last 10 years, we realize this unprecedented break at this time would hamper your plans to prepare your students for the upcoming placement season. Sure, this might not be pleasant. But, if this all means even helping one individual, even one, then we should do it no questions asked. At FACE, we consider ourselves not just as a vendor but as an

extended partner to colleges. And, as a true partner who will be there through thick and thin, we want to do our bit in these tough times. Hence, we are offering a 66-hour comprehensive online placement training program: FACE 360 | Capsule.

#### Highlights of FACE 360 | Capsule:

- 66-hour comprehensive training covering Aptitude (18 Hours), C++ (42 Hours) & Soft Skills (6 Hours)
- Students can consume the course from the comfort of their home
- Continuous practice and assessments
- Mentor support to clarify the doubts & ensure completion
- Reports for TPOs to gauge the progress of students
- Gamified learning modules delivered via AI-powered platform FACE Nxt

#### Steps to enrol for FACE 360 | Capsule:

- Share the database of your students with us to generate the login credentials. (Name, Department, Roll No, Email ID)
- FACE will organize a webinar to explain about the program, request you to be a part of the webinar and advise them on the importance of this preparation
- Interested students are enrolled onto the program.

Link to the demo of the platform: <http://bit.ly/FACE-fg>

Please feel free to get in touch with us for any further clarifications.

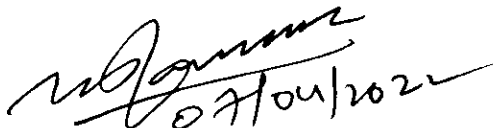

This initiative is not a marketing stunt or done with any other ulterior motive apart from the fact that we just want to do our bit to help colleges & students. I hope you take it in the same spirit and encourage your students to enrol if you deem this useful.

Regards,  
Praneeth.

Dear Mr Farooq ,

The uncertainty due to the ongoing Coronavirus Pandemic shouldn't affect your students' placements. We have recognized that as leaders in collegiate education, you would face a lot of anxiety regarding your students preparation for the placement season.

The good news is that your students can prepare from the comfort of their homes and be better equipped for the placement drives even if the companies make placement processes more stringent. To keep your best students motivated,

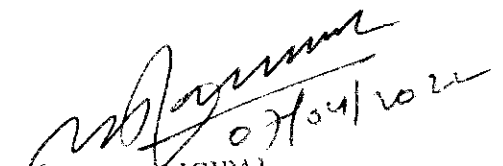

Talentsprint is offering **FREE "Placement Readiness" LMS access for your 250 students only.** (Mainly for 3rd & 4th Year & if you want you can provide this benefits to Second Year students also)

Points to note!

1. Nominate the best 250 students, who are self-motivated.
2. Please share the list with us within 24 hours.

They can avail the following on the learning platform -

- o 24\*7 access to advance LMS for 3 months
- o LMS Access with around 4000 pre recorded videos
- o Chat Rooms / Discussion Rooms
- o MCQ Based Assessments
- o Video Recording Archive Access
- o AI Powered Searchable Videos
- o Group Work / Projects
- o Downloadable Reference Materials
- o Self Practice Test
- o Topic Wise Assessment
- o Instruction to study

o Clear Study Plan & Many more benefits.

Let your students experience the best of self-learning and make constructive use of their time and benefit from this collaborative learning culture backed by technology and the best part is its mobile delivery capability.

We need the data in this format:

S No.	Name	College	Roll No.	Email Id	Branch	Phone No.
-------	------	---------	----------	----------	--------	-----------

Hurry up and nominate 250 students for a life transforming experience.

Or you can circulate the google form link to your students, whoever are interested can fill the form (<https://forms.gle/1TFPQfDkdJhai1DC8>)

Then we can quickly create an LMS account for students & will share credentials through which they can utilize all the benefits of the portal.

Hurry up and nominate 250 students for a life transforming experience.

**Workshop On Innovation And Design Thinking**

A Workshop is organized by IEEE Technology & Engineering Management on **Innovation and Design Thinking** was hosted by IEEE Student Branch of MJCET in the at General Seminar Hall, Block 1. from 10.00 AM to 4.00 PM dated 01/02/2020 .

As part of this Programme Critical Problems cannot be solved by routine thinking. With the rapid changes in technology, conventional methods used to solve problems are no longer effective. There is a need to develop new ways of thinking in order to design better solutions, services and experiences that solve our current problems. Innovation is the process of creating and implementing a new idea. It is the process of taking useful ideas and converting them into useful products; services or processes or methods of operation. These useful ideas are the result of creativity, which is the prerequisite for innovation. Design Thinking steps in with a bold newly systematised and non-linear human-centred approach. This will help us radically change how we go about exploring problems and creating solutions to those problems. This workshop will aim at providing a systematic approach to Innovation and Design thinking. People from Industry, Entrepreneurs, Students and Faculty are encouraged to attend this workshop.

Speaker Professor P Achutha Rao, Former Center Head, National Institute of Design, Bangalore. He has served as Coordinator (Industry Relations), Design Clinic Scheme - MSMEs, South Zone; of Govt. of India at NID, Bangalore. He is also the Research Chair Holder, O P Jindal Design Research Chair at NID R&D Campus, Bangalore. Prof. P. Achutha Rao is a Product Designer by profession and qualification. He is one of the first Product Designers trained in India, from the first batch of Industrial Design Centre, I I T Bombay in 1971. He has witnessed transition of design from 'non-design' to 'design as innovation'. He has about 30 years of industrial experience and 13 years of teaching experience. He has been teaching 'Product Design' and allied subjects from the year 2000 at the Master's Level. He developed the Master's Programme in 'Product Design' of the Coventry University, U. K. delivered at M. S. Ramaiah School of

### Report on Competitive exams and Career Counseling session

08/10/2020

The EEE & EIE department has conducted placement counseling for all its students as per the following schedule.

Further, the relevance of GATE examination and Telangana State PG CET for admission into Postgraduate program and for jobs in PSU was also discussed by Head of Department. The appropriate time frame for taking up Competitive exams like GRE, TOEFL/IELTS, GMAT, IES with cut off scores for getting admission into higher education institutes was provided. In conclusion, the various requirements for pursuing higher education in USA, UK, Australia, Europe and other foreign countries were highlighted.

A presentation regarding career opportunities in the core engineering sector and also in IT domain was given by the Placement coordinator. Students were asked to prepare for the campus placement well in advance as the skills that would be tested are Quantitative, Analytical, English and Reasoning which are not dependent on Engineering courses.
