Overall Band Score

Overall	6.5	Competent User	The test taker has an effective command of the language despite some inaccuracies, inappropriate usage and misunderstandings. They can use and understand fairly complex language, particularly in familiar situations.

Test	Score	Your result explained	Advice to improve your score
Listening	7.5	Test takers at Band 7.5 can typically follow extended speech and understand detailed instructions to complete tasks, including some involving complex ideas. They can identify ideas, attitudes, opinions or purposes which are implied by the speaker but not directly stated. They can easily understand meaning, including references within and between sentences, without having to	Listen to current affairs and documentary programmes, or online talks, without pausing or repeating the recording. Try to remember as much as you can, including new words, main ideas, specific points, and their relationship to each other. Afterward, reconstruct what you've heard. How much are you able to reconstruct? Listen more and try to increase the amount that
Writing	6.0	logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.	joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.

Overall Band Score

Overall	7.5	Good User	The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.

Test	Score	Your result explained	Advice to improve your score
Reading	7.5	Test takers at Band 9 can typically follow They are very good at using their wide vocabulary knowledge to create meaning, both within and across sentences, on a range of general and specialised topics. They can follow an argument and distinguish between main ideas and supporting details, and are good at understanding attitude, opinion and implication. They are able to do this by using reading strategies such as skimming and scanning, and by synthesizing information and drawing inferences.	particular type of text typically have? How is information structured and arranged in such texts? Will it require making inferences? Will there be a summary somewhere? Use your knowledge of these and approach the reading task in an appropriate way. Where you want to know the overall argument or specific arguments, try to do this as efficiently as possible. As an exercise, try to find several opinion-based texts on the internet, and then determine the similarities and differences in their opinions and views.
Speaking	7.5	Test takers at this band can typically speak with ease, clearly and at length, although with some repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally clear and well linked. They use a range of vocabulary to discuss a variety of topics, and can use some less common or idiomatic vocabulary, although not always accurately. They can paraphrase well if needed. They can use a range of grammar structures. Sentences are frequently accurate, although there are some errors. Pronunciation is generally natural and clear, but with occasional problems. They are usually easy to understand, and their accent does not have much effect on understanding.	Talk to other people about abstract and difficult current issues. Focus on delivering your ideas well in presentations and discussions, minimising hesitation as much as possible. Ask yourself: Am I arranging and conveying my thoughts in the best possible way? Am I using the best possible words and phrases that I know to express my ideas? How can I vary my delivery so that my ideas are understood better? Then work on those things you're not completely happy with yet. Continue reading and listening to natural English language materials and TV to note precise words and particularly effective ways of saying things. Think about how you might use these yourself.

* Normalized marks for Civil Engineering (CE), Computer Science and Information Technology (CS) and Mechanical Engineering (ME) Papers.

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this scorecard.

The GATE 2021 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q)\frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,
M is the marks obtained by the candidate in the paper, mentioned on this GATE 2021 scorecard
M_q is the qualifying marks for general category candidate in the paper
$\bar{M}_t$ is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
S_q = 350, is the score assigned to M_q
S_t = 900, is the score assigned to $\bar{M}_t$

In the GATE 2021 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2021 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Dear Fahad Ahmed Noman,

Congratulations! Upon the recommendation of the graduate faculty in the Caterpillar College of Engineering and Technology, we are pleased to admit you unconditionally to the Master of Science in Civil Engineering degree program for the Fall 2022 term which begins on Wednesday, August 24, 2022.

Official documents must be received by the end of the fourth week of your first semester or a hold preventing course registration will be placed on your record. For a list of missing documents, please see the checklist on your application status page.

To emphasize in construction management it will be necessary to complete the following courses: CON392: *Construction Scheduling* and CON380: *Construction Contracts* or demonstrate proficiency in these topics. You must also demonstrate proficiency in CE210: *Numerical Methods* or take this course as a prerequisite. Proficiency can be demonstrated by submitting course outlines detailing the topical coverage in equivalent undergraduate courses for review and approval by Bradley University faculty. You are encouraged to bring in a copy of the syllabus book/undergraduate program curriculum to facilitate this review.

You should meet with your graduate program coordinator, Dr. Kerrie Schattler (phone) (309) 677-2779, (email) kschattler@bradley.edu prior to registration to complete the Graduate Program of Study form. Your graduate program coordinator will be pleased to discuss any matters related to your academic work.

We commend you on your past academic performance and have noted your accomplishments in review of your application. You have received a 25% Excellence Scholarship, the details of which are described in the enclosed letter.

On the bottom of this letter is your Campus ID number. Please login to your student status page to complete the Acceptance of Admission Form.

We are happy that you have chosen to attend Bradley University! If we can be of any assistance to you, please call (309) 677-1000.

Sincerely,

Rachel Krein Webb
Director of Graduate and International Admission

Dear Zeba Urooj,

Congratulations! On behalf of the admissions committee, I am pleased to extend you an offer of admission to New York Institute of Technology. You have been admitted to the Bioengineering, M.S. program at our Long Island campus beginning in the Spring 2022 semester. I am pleased to congratulate you on this fine achievement!

As you prepare to enroll at New York Institute of Technology, there are certain conditions that you must fulfill to ensure a successful and smooth matriculation. The Bioengineering, M.S. Department has granted you admission on the condition that you fulfill the below item(s). Assigned core coursework may be discussed with your academic advisor. A list of graduate advisors can be found online at nyit.edu/advisors. You will need to speak to your advisor in order to schedule classes.

Conditions of Acceptance:

Must submit official GRE test scores;Must submit official IELTS test scores

One additional course: BIOL 310. Must submit Official Transcript, & Proof of Original Degree Certificate.

You will receive an official letter with your I-20 in your acceptance package, which will be delivered to you via UPS. This will be prepared once you have submitted your financial documents required for your I-20, including a notarized Affidavit of Support and bank statement with bank seal from your or your sponsor's bank demonstrating financial support.

Please review your official letter for more information about the terms of your admission.

Zeba Urooj, we are quite proud of your accomplishments. When you join us at New York Tech, we'll challenge you with a career-oriented curriculum that will encourage you to develop critical skills and give you hands-on experiences both inside and outside of the classroom.

Your admission is contingent upon successful completion of your academic work now in progress. We encourage you to keep up the good work.

Dear Fraheen Sultana Mohammed,

Thank you for your interest in pursuing a Master of Science in Electrical Engineering at the University of Colorado Denver.

I am happy to inform you that the Department Graduate Committee approved your application for admission to the Electrical Engineering program beginning spring semester of 2022.

To fulfill the requirements for the MSEE degree, the EE department at CU Denver requires that, within a five- year period, a candidate complete an approved program in one of two options: (a) a thesis option consisting of at least 24 graduate credit hours of coursework, 6 MS thesis graduate credit hours, and completing a MS thesis, or (b) a course only option consisting of at least 30 graduate credit hours of course work, as well as 1 semester of the CEAS seminar.

Please note that only a total of 9 graduate credits can be transferred from other universities to count towards your Master of Science in Electrical Engineering. Also, you are required to begin attending classes the first day of the semester. Based on your stated primary area of concentration within Electrical Engineering, your academic advisor is Dr. Vijay Harid, who may or may not also serve as your research advisor.

This approval does not guarantee or imply financial support. Any questions regarding financial support should be addressed to your advisor. Congratulations on your admission to our MSEE degree program. The faculty and I look forward to your participation in our program.

Sincerely,

Dr. Stephen Gedney
Department Chair

Your official test report will be posted to you 13 days after the test. Please note the preview of your IELTS result cannot be used as official confirmation of your test result.

Overall Band Score

Overall	7.5	Good User	The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.
Te[redacted]	Score	Your result explained	Advice to improve your score
Listening	8.0	Test takers at Band 8 can typically follow extended speech involving complex and detailed argumentation. They can identify and process language and grammar automatically, and so are able to concentrate on the development of the overall meaning of what is said by a speaker or speakers. They can understand a wide range of vocabulary, including idiomatic language and fixed phrases or unusual collocations, as well as technical and academic language.	Listen to discussion programmes, especially those on abstract topics you're less familiar with, without pausing or repeating the recording. Try to predict how the conversation might develop, then see if you're correct. Make it a point to notice how the speakers express and qualify their opinions, noting ways they say things that make their arguments particularly effective. Where speakers have different points of view, notice how they respond to one another's comments. Use strategies to infer ideas and meanings that are not directly stated. Afterwards, try to reconstruct the discussion to yourself, to check how much you have understood.
Reading	8.0	Test takers at Band 8 can typically deal effectively with a variety of factual and opinion-based texts that are often complex and dense with information. They are skilled at using their very wide vocabulary knowledge to create meaning, from sentence level to text level, on a range of general, specialised, and technical topics. They are good at following complex arguments and distinguishing between main ideas and supporting details, and at understanding attitude, opinion and implication. They are good at using appropriate reading strategies, such as skimming and scanning, and at synthesizing information and drawing inferences.	Your reading skills are already quite good. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Use your knowledge of these and approach the reading task in an appropriate way. Limit the amount of time you give yourself to read a text. As an exercise, try to find several texts on the same topic so that you can compare opinions, views, definitions and conceptualisations of ideas. Academics often make fine distinctions, so see if you can determine these. You may even try to see if you can capture those differences by writing a one sentence summary.
Speaking	7.5	Test takers at this band can typically speak with ease, clearly and at length, although with some repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally clear and well linked. They use a range of vocabulary to discuss a variety of topics, and can use some less common or idiomatic vocabulary, although not always accurately. They can paraphrase well if needed. They can use a range of grammar structures. Sentences are frequently accurate, although there are some errors. Pronunciation is generally natural and clear, but with occasional problems. They are usually easy to understand, and their accent does not have much effect on understanding.	Talk to other people about abstract and difficult current issues. Focus on delivering your ideas well in presentations and discussions, minimising hesitation as much as possible. Ask yourself: Am I arranging and conveying my thoughts in the best possible way? Am I using the best possible words and phrases that I know to express my ideas? How can I vary my delivery so that my ideas are understood better? Then work on those things you're not completely happy with yet. Continue reading and listening to natural English language materials and TV to note precise words and particularly effective ways of saying things. Think about how you might use these yourself.

Dear ANEEQ UR RAHMAN MOHAMMED,

Congratulations! I am pleased to notify you that your application for admission to graduate study in the Engineering - Computer & Systems Engineering, MS program at the University of Houston is unconditionally approved as specified above. Please respond to the admissions offer as soon as possible to indicate whether you will attend by entering your decision in the application system.

As a new member of the UH Graduate community, you will undoubtedly have many questions about what comes next. I would recommend that you start by familiarizing yourself with the Graduate Catalog as well as the program's website. Below, you will find details regarding the financial support offer being made by the program. Please review this information carefully and take it into account when responding to your offer of admission. If you have any questions regarding the financial support offer or any other details of your admission please do not hesitate to contact your graduate advisor, Kelly King at knking@central.uh.edu.

Financial Offer: The ECE department is pleased to offer you a scholarship in the amount of $1000 for the 2022-2023 academic year. You will receive $500 in the Fall semester and $500 in the Spring semester.

(**Non-Texas Residents**) If you are not a Texas resident, this scholarship will also qualify you for in-state tuition.

Dear Mohammad Raiyan Akbar,

Congratulations! It is our pleasure to offer you admission to the Master of Science in Data Analytics Engineering for the Fall 2021 semester in the Volgenau School of Engineering.

Please complete the following two items as soon as possible:

1. Accept, Decline or Request to Move your application to another term
In order to do so, please click here. This is a necessary step to enroll or withdraw from the university and, if you wish to enroll, to be eligible to register for courses. If you confirm your enrollment, within 24-48 hours you will receive an official notification from our office with instructions on registering for your courses.

2. Visit our mandatory, New Student Checklist.

Below are additional items you'll need to know as you begin here at Mason:

- Your Mason ID or G-Number is G01341829 Please keep track of this and use it whenever you contact the university, either by phone, email, or in-person.
- Your academic advising contact is F Brett Berlin (fberlin@gmu.edu).
- Your tuition classification is Out of State International for F or J1 visa.
- The date of your formal offer of admission is May 4, 2021.

Funding decisions for Graduate Assistantships and Teaching Assistantships are not made by Graduate Admissions. If selected for either position, you will be notified by your graduate department, outlining any academic requirements of your acceptance and status of assistantship funding.

Each student is responsible for knowing Mason's rules, regulations, requirements, administrative and academic policies. Visit our catalog for our full list of policies.

Reminder: An earned baccalaureate degree from a regionally accredited institution of higher education, or international equivalent, verified from official transcripts is a requirement for all graduate students. If you have not yet submitted your official, final transcript, please ensure you do so prior to the last day to drop courses in your first semester.

On behalf of our faculty and staff, please accept our best wishes on your academic endeavors.

Alan Byrd, Ph.D.
Dean of Admissions

NJIT ID: 31565162
Dear Raiyan,

Congratulations! We are pleased to inform you that you have been accepted to the Master of Science in Data Science - Computational Track at **New Jersey Institute of Technology** for the Fall 2021 semester. Welcome to the NJIT family!

We are eager to finalize your acceptance. As an international student, you will need an I-20 before you can proceed with applying for a student visa. We recommend that you submit the documents noted below as early as possible, but no later than June 1, 2021.

Here are your next steps:

1. Submit the Application for I-20/DS-2019 Form and Affidavit of Support.
This form can be accessed at www.njit.edu/i20 and contains important information about the I-20 process. Other forms of affidavit cannot be submitted in lieu of this form.

2. Submit financial support documentation.
You must have available funding (sponsor(s) or yourself) to cover the cost of attendance for the first year of study. The expected amount is USD $55,254 for graduate students. All financial documents must be dated after January 1, 2021.

3. Upload a copy of your passport (if not already submitted.)

You may upload scanned copies of all of the documents above to your application portal - connect.njit.edu/status. Make sure you upload these documents to the corresponding checklist item in the portal.

We will review your documentation upon receipt. The I-20 form and formal acceptance letter will be issued and sent to you provided the financial support documentation meets the requirements set above. Note that NJIT does not issue electronic I-20s. You will be notified once your document ships. Your SEVIS number and FedEx/DHL tracking number will be added to your application portal at that time.

Please note that a tuition deposit is **NOT** required for I-20 issuance. The suggested deadline for submission of the tuition deposit to confirm your enrollment is June 1, 2021.

If you have any questions, please feel free to contact your admissions counselor Naomi An via email at naomi.j.an@njit.edu or by phone at +1 973-596-3089. For important announcements and updates, join our Fall 2021 admitted international student Facebook group. Please be sure to answer all three membership questions.

We look forward to finalizing your admission to NJIT!

Sincerely,

Office of University Admissions

Dear Faiz Ahmed Mohammad,

Congratulations! I am pleased to notify you that your application for admission to Master of Science in Engineering Data Science at the University of Houston is unconditionally approved as specified above.
As a new member of the UH Graduate community, you will undoubtedly have many questions about what comes next. I would recommend that you start by familiarizing yourself with the Graduate Catalog and well as the program's website. If you have any questions, please contact Prof. Yashashree Kulkarni at egrhpc@uh.edu.
We are pleased to offer you a scholarship of $1000 if you achieve a 3.0 or higher GPA in your first term, and maintain full time enrollment in your first year. This financial support also includes a tuition waiver for out-of-state and international students, which allows them to attend at the in-state rate for the academic year in which they receive the scholarship.
Graduate costs vary by department, residency status, the amount of courses taken per semester, and etc. For the most accurate estimation of your tuition and fees, please use the graduate, tuition, and fees calculator on the university webpage. Please review this information carefully and take it into account when responding to your offer of admission.
If you are an international applicant who requires a Form I-20 for your F-1 visa, please note that the I-20 request will be processed as soon as you have accepted the admissions offer and submitted all required documents.

Please note, before enrolling in courses, all new graduate students must submit proof of a completed Bachelor's degree. If we have not received a completed academic record for you, you will not be able to enroll in classes at this time. If you have any questions regarding what materials are missing or how to establish proof of degree, you may contact gradschool@uh.edu.

The University of Houston is committed to developing a diverse and vibrant community of

Dear Ms. Maseerah Khatoon:

I am pleased to inform you of your acceptance into the *Graduate School of Engineering* at Northeastern University as a Full-time Regular student in the Masters degree program.

This action is by recommendation of the Admissions Committee following a thorough examination of your preparation and qualifications for graduate work. In accordance with your undergraduate studies, your degree designation will be Master of Science in Information Systems and will begin the first day of classes of the Fall 2022 term. Please go to Northeastern's Office of the University Registrar website to view the university calendar. Please also refer to the below student advising and registration information for important information regarding your studies including your initial point of contact in your department of admission. Note that your offer of admission is contingent upon your satisfaction of all local, state and federal laws.

The *Graduate School of Engineering* is available to assist you with any questions that you might have concerning your studies. On behalf of the Graduate Admissions Committee, I welcome you to the *Graduate School of Engineering* at Northeastern University.

Sincerely,

Waleed Meleis

WICHITA STATE UNIVERSITY
GRADUATE SCHOOL

Tahoor Ahmed Mohammed
Ayan Manzil, 2-6-5/182,183, Happy Homes Colony, Upper Pally
Hyderabad, Telangana 500048
India

Dear Tahoor Ahmed,

Your application for admission to Graduate School has been reviewed. I am pleased to inform you that you have been admitted to the Computer Science program effective for the Fall 2022 semester.

Your admission status in this program is Full Standing. Please refer to our website here for more information about your admission level. In order for your admission to remain valid, you must enroll and complete at least one course as a graduate student within one calendar year of the effective semester of admission. Please note: Any transcripts or test scores used to evaluate you for admission were considered unofficial if uploaded along with your application. You will be required to submit official transcripts from schools where you obtained a degree and, *if applicable*, any school where you have taken graduate credit. You will also need to send official test scores to WSU. These items will be due by the 20th day of class for the semester you are admitted.

- It is important to contact your advisor as necessary regarding course selection, program requirements, and admission status. You have been assigned **Sourabh Bose, PhD** as your advisor. You can reach your advisor at **sourabh.bose@wichita.edu or 316-978-3156**.
- Although you should meet regularly with your advisor, as a graduate student, you will be expected to take responsibility for your individual program of study. You will find the Graduate Catalog to be an important source of information in this regard. In order to assist with your progress toward earning your degree, I encourage you to refer to the Graduate Catalog online at www.wichita.edu/catalog.
- You have been classified as a International Non-Resident for tuition purposes. If this information is incorrect, please contact the Registrar's Office at 316-978-3672, or visit their website at www.wichita.edu/residency. Please note: Online programs are resident neutral for tuition purposes.

Your student identification number is called your myWSU ID. Your myWSU ID is Y495K597. Activate it by going to MyWSU, your student portal. You will then be able to log into the myWSU portal, where you can enroll in courses, access your WSU email account, pay tuition/fees, and view your financial aid award status. Welcome to your new program!

Sincerely,

Dr. Coleen Pugh
Dean of the Graduate School
