DFE / 2k18/ Minutes/

Date: 5<sup>th</sup> October, 2018

Minutes of the meeting of the Principals of Osmania University Affiliated Engineering Colleges held on 5<sup>th</sup> October, 2018 at 3.00PM in the Dean's Office, University College of Engineering, Osmania University, Hyderabad – 500 007.

**Members Present were:**

1. Prof. P. Laxminarayana, Dean, Faculty of Engineering, Osmania University, Hyderabad.
2. The Principal, MVSR Engineering College, Nadargul, R.R. Dist.
3. The Principal, MJCET, Banjarahills, Hyderabad.
4. The Principal, Deccan College of Engineering & Tech., Darus-Salam, Hyderabad.
5. The Principal, Methodist College of Engineering, Abids, Hyderabad.
6. The Principal, Stanley College of Engineering, Hyderabad.
7. The Principal, ISL Engineering College, Banlaguda, Hyderabad
8. The Principal, Swathi College of Engineering & Technology, Hyderabad
9. The Principal, Matrusri College of Engineering, Saidabad, Hyderabad.

**The agenda of the meeting**

1. B.E. Students detention Policy for OU Affiliated Engineering College for the Academic year 2018-2019.
2. To Discuss the Rules and Regulations for four year Bachelor of Engineering Degree Programme of Osmania University Affiliated Engineering Colleges with effect from the academic year 2018-2019.
3. To Discuss the Syllabus for B.E. I & II - Semester as per AICTE Model Curriculum.
4. Any other matter with the permission of the chair.

**The following resolutions were taken:**

1. Taking into consideration the representation given by the students of OU affiliated Engineering Colleges, where they claimed that their respective institutes have not properly informed them about the promotion rules. In fact, in a meeting of Dean, Faculty of Engineering, Osmania University with the principals of those Engineering Colleges, they negated the claim of the students. In view of the above circumstances, as one time relaxation, for the academic year 2018-2019, the rules of detention may be followed as adopted during the academic year 2017-2018.

Course	From	To	No. of backlog courses / Credits for Promotion in 2017-2018
B.E.	II-Semester	III - Semester	Nine more credits than stipulated (for CBCS)
	IV-Semester	V - Semester	Nine more credits than stipulated (for CBCS)
	III -Year	IV -Year	Four more Courses than stipulated (for Non-CBCS)

2. The members were once again briefed about the **Rules and Regulations** for four years Bachelor of Engineering Degree Programme of Osmania University Affiliated Engineering Colleges with effect from the academic year 2018-2019.
3. The members were also briefed about the Syllabus pertaining to for B.E. I & II - Semester as per AICTE Model Curriculum. Further they were informed to initiate the process to finalize the syllabi for the coming semesters and PG programmes for the academic year 2019-2020.
4. The Dean Faculty of Engineering, Osmania University very firmly impressed upon the Principals of all the OU affiliated Engineering Colleges, to inform and educate all the students with regard to all the rules & regulations in vogue for the BE/ME courses.
5. The meeting ended with vote of thanks to all the OU Affiliated Engineering Colleges Principals.

Minutes of the OU Affiliated Engineering English Faculty Orientation Workshop meeting held at  
the Dept of English, UCA&SS, OU

Date: 09-02-2019

Venue: Seminar Hall, Dept of English, UCA&SS, OU

Members present: 13 Teaching Faculty from OU affiliated Engineering Colleges, and the HoD, Dept of English, Osmania University were present at the W/s meeting convened by the CBoS In English, Osmania University. (Attendance sheet enclosed).

Objectives of the W/s: To discuss and evolve the question paper pattern of theory and lab examinations, and design a model question paper for the revised syllabus of English (Model Curriculum) that has come into effect from 2018-19. The following items on the agenda were discussed thoroughly:

1. QP Template of the II Semester end exam (SEE) English (Theory)
2. QP Template of the II Semester end exam (SEE) English (Lab)
3. Broad design of the Continuous Internal Evaluation (CIE)-(Theory and Lab)
4. Develop instructional material through collaborative effort for common use across colleges.

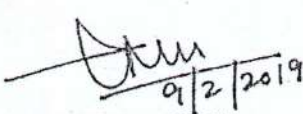

Resolutions: As per the guidelines of AICTE Model Curriculum, the participating faculty resolved to prepare the model question paper template as follows:

1. Theory:

Part A: 20 marks – consisting of 10 questions based on the Vocabulary and Grammar components of all the 5 units of the syllabus.

Part B: 50 marks – consisting of 7 short essay questions out of which students can answer any 5. The first questions (11-16) are to be based on the Reading and Writing components of all the 5 units of the syllabus. The last question (17) is to be based on two short unseen passages followed by 5 comprehension questions on each passage. (Total SEEmarks are 70).

2. Continuous Internal Evaluation (CIE) for the paper will be for 30 marks.
3. English Lab exam will have questions from the English Lab syllabus for 50 marks (SEE) and a pattern was decided.
4. English Lab exam (CIE-Continuous Internal Evaluation) will be for 25 marks.

Minutes of the meeting dt. 20-April-2017 (Thu) convened at Department of CSE, UCE, OU

The following resolutions were taken:

1. Drafting Scheme and Syllabi for III & IV Semester (For OU affiliated Colleges) under CBCS for the academic year 2017-2018:

The existing scheme and syllabus of III & IV Semesters of CSE, UCE (Autonomous), OU is accepted with the following changes in the syllabi:

- (a) III Semester: Discrete Mathematics (Theory): The number of credits is reduced from 4 to 3. Further, the number of contact hours is reduced from 5 (3L+2T) to 4 contact hours (3L+1T). Furthermore, the order of books is changed and a few additional books are added.
- (b) III Semester: Data Structures Lab: The number of credits is enhanced from 1 to 2. Further, the contact hours are enhanced from 2 to 4 (2 sessions/week)
- (c) IV Semester: Programming in Java (Theory and Lab) and Microprocessors and Interfacing (Theory and Lab) are to be redrafted by Prof. A. A. MoizQyser (MJCET) and Prof. G. Veereshalingam (MECS) respectively and subsequently will be communicated to the board members
- (d) IV Semester: Computer Organization (Theory): Additional books are added to the exiting list.
- (e) IV Semester: Society Outreach Program (SOP):
  - (i) Faculty members handling this subject shall attend an orientation program at OU.
  - (ii) The students shall give a presentation for about 30 minutes at their respective colleges on the chosen topic.

9. Mr. M. Ramesh, Dept.of Mathematics, Matrusri Engg.College

Invitees present:

1. Dr.Y. Rameshwar, Dept.of Mathematics,UCE ( A ), OU.
2. Mr. B.Bala Swamy, Dept.of Mathematics,UCE ( A ), OU.

The members discussed the proposed scheme and syllabi of Mathematics-III and Mathematics-IV thoroughly and arrived at the following resolutions.

In Mathematics –III the following changes are suggested:

1. In Unit-I, Monge's Method is deleted.
2. In Unit-II, the topics on Application of Fourier series- square wave forms , other wave forms & Complex Fourier series are deleted and Unit-III is combined with Unit-II to form the new Unit-II.
3. Unit-III comprises of Introduction to Probability, Baye's theorem and is same as Unit- III in existing Maths -IV.
4. Unit- IV is same as that of Unit -IV in existing Maths-IV .
5. Unit -V is also same as existing Maths- IV .
6. In Mathematics-IV, Unit-I comprises of functions of complex variables, Unit-II comprises of residue theory and transformations ( existing), Unit -III comprises of Z-transforms of existing M-III, Unit- IV comprises of Fourier transforms( New topic) and Unit-V comprises of Numerical methods ( Unit IV of existing M-III with some modifications).

The Chairperson thanked all the members for their active participation and valuable suggestions.
