Report on Competitive exams and Career Counseling session

1/9/2018

The ECE department has conducted placement counseling for all its students as per the following schedule. A presentation regarding career opportunities in the core engineering sector and also in IT domain was given by the Placement coordinator. Students were asked to prepare for the campus placement well in advance as the skills that would be tested are Quantitative, Analytical, English and Reasoning which are not dependent on Engineering courses.

Further, the relevance of GATE examination and Telangana State PGECET for admission into Postgraduate program and for jobs in PSU was also discussed by Head of Department. The appropriate time frame for taking up Competitive exams like GRE, TOEFL/IELTS, GMAT, IES with cut off scores for getting admission into higher education institutes was provided. In conclusion, the various requirements for pursuing higher education in USA, UK, Australia, Europe and other foreign countries were highlighted.

Sl.No	Class	Date	Time	Number of students attended
1	B.E (2/4) Sec A	12/7/2018	10.00 AM to 11.00 AM	64
2	B.E (2/4) Sec B	12/7/2018	11.00 AM to 12.00 PM	68
3	B.E (3/4) Sec A	10/7/2018	10.00 AM to 11.00 AM	55
4	B.E (3/4) Sec B	10/7/2018	11.00 AM to 12.00 PM	53
5	B.E (4/4) Sec A	11/7/2018	10.00 AM to 11.00 AM	48

Report on Competitive Exams and Career Counseling Session

06/09/2017

The Information Technology department has conducted placement counseling for all its students as per the following schedule. A presentation regarding career opportunities in the IT Industry was given by the Placement coordinator. Students were advised to focus on programming for problem solving through programming languages like C, C++, Java, Python, and App development. Students were asked to prepare for the campus placement well in advance as the skills that would be tested are Quantitative, Analytical, English and Reasoning which are not dependent on engineering courses.

Further, the relevance of GATE examination and Telangana State PGECET for admission into Postgraduate program at IITs and state level universities was also discussed by Head of Department. The appropriate time frame for taking up Competitive exams like GRE, TOEFL/IELTS, GMAT, IES with cut off scores for getting admission into higher education institutes was provided. In conclusion, the various requirements for pursuing higher education in USA, UK, Australia, Europe and other foreign countries were highlighted. IT Department also organized "Department Campus Recruitment Training" (DCRT) for BE III year students during second semester for enhancing the programming skills by a team of in-house faculty members.

Report on Competitive exams and Career counseling session 10/09/2015

The CSE department has conducted placement counseling for all its students as per the following schedule. A presentation regarding career opportunities in the core engineering sector and also in IT domain was given by the Placement coordinator. Students were asked to prepare for the campus placement well in advance as the skills that would be tested are Quantitative, Analytical, English and Reasoning which are not dependent on engineering courses.

Further, the relevance of GATE examination and Telangana State PG CET for admission into Postgraduate program and for jobs in PSU was also discussed by Head of Department. The appropriate time frame for taking up Competitive exams like GRE, TOEFL/IELTS, GMAT, IES with cut off scores for getting admission into higher education institutes was provided. In conclusion, the various requirements for pursuing higher education in USA, UK, Australia, Europe and other foreign countries were highlighted.

Sl.No	Class	Date	Time	Number of students attended
1	B.E (2/4) Sec A	25/07/2015	10.00 AM to 11.00AM	69

Placement Coordinator,

EED

The Dept. of English focuses on equipping students with:

1. **language skills** viz. Listening, Speaking, Reading , Writing, particularly vocabulary, neutral accent, ability to articulate ideas with accuracy, brevity and clarity
2. **Non verbal communication**
 - overcoming stage fear
 - gaining self confidence through public speaking, debates, group discussions , role plays etc.

English Labs:

1. CALL Lab
2. Interactive Lab

1. Computer Assisted Language Learning Lab (CALL Lab) : The focus of CALL is learning and not teaching .CALL lab uses student centered learning materials and facilitates the language learning process. Computer Assisted Language Learning Lab deals with
 - Introduction to English Phonetics
 - Sound system of English
 - Aspects of connected speech
 - Word Stress
 - Rhythm & Intonation
 - Makes self-study enjoyable

Computer Assisted Language Learning Lab assists the learner in improving:

- Pronunciation
- grammar
- comprehension
- listening skills
- self-correction

2. INTERACTIVE LAB: The Interactive Lab helps instill Confidence, develop leadership qualities ,Overcome stage fear and enhance self-esteem. Some of the activities done in the lab are listed below:

- Role Play
- Debate
- Group discussion
- Interview Skills
- Listening Skills
- Public Speaking
- Presentation skills
- Use of Dictionary and Thesaurus

Role Play

Mock Interview

Public Speaking

Debate

Group Discussion

Counseling and Mentoring system to help at individual level

The Institution has devised a comprehensive multilevel counseling system conforming with standard practices as per OBE system. As per this system, students are attached to a faculty counselor throughout their four years of study in the institution. Apart from this, students are also counseled by the course coordinators and placement coordinators. Therefore the counseling system has the following components:

- i. General Counseling
- ii. Course Counseling
- iii. Career Counseling

General Counseling

Immediately after admission into the First year of the B.E. Programme, the college commences its process of mentoring the students by employing the method of Group counseling as well as individual counseling.

About 20 students are attached to each faculty counselor. The counselor's responsibility is to monitor the regularity in attendance and performance of the student in academics. In addition to the above, the faculty counselor is expected to offer counseling on ethics and best practices to achieve success to the students attached to him/her for their overall growth.

The guidelines of general counseling are listed below:

1. **Allocation of Mentees:** The HOD will allocate three counselors for each division from 2nd to 4th year. Counselors for 1st year students are allocated by an incharge professor from the basic sciences and Humanities faculty. Thus, every faculty will be allotted 20 students (mentees) in the 1st year. In the 2nd year 1st Semester, 4 lateral entry students would be allotted to each of the counselors within two weeks of their admission. The first year counselors hand over the counseling files to the 2nd year counselor. The students

once attached to the counselor in 2nd year continue to be mentored under him/her until they pass out.

2. **Counseling files:** A separate Student Counseling file is maintained for each student by the counselor. Apart from this the counselor should maintain his/her Counselor's file to maintain general instructions and the record of monthly attendance, internal assessments, University results etc. for his/her batch of mentees
3. **Students Data Sheet:** Students should fill the student "Data sheet", get it signed by his/her parent and submit to the counselor in first month of 1st year itself.
4. **Student academic record:** The student Counseling file will have "Student academic record" with copies of SSC (or equivalent), Intermediate (or equivalent), EAMCET rank card (or equivalent), passport size photograph, copy of Aadhar card (of student), and the record of University results, any other achievements of the student.

The counselor should maintain a record of their Students' University results and keep the parents informed about their marks and backlogs if any. They should enter this information in the "Student Academic Record" form.

5. **Student Counseling record:** The Counseling file will have "Student counseling record" The formats of the Student Counseling Record for General Counseling include:
 - General Counseling Flowchart (*has guidelines for Counselors*)
 - Academic Difficulty Analysis Form -1
 - General Counseling – Advising Log (*it is a Counseling Record*)
 - Early Alert Form (*Reports to higher Authorities in case of critical cases*)
6. **Counseling as per Academic Calendar:** The counselor should maintain a record of their Mentees monthly attendance as per the Academic Calendar and keep the parents informed if they have shortage of attendance (less than 65% attendance). They should take an Undertaking about the University detention rule from the Student and his parent before class test-1. For the parents not responding to counselor's call, the counselors are advised to send a message and record the date of the message sent.

The counselor should maintain a record of their Students' class test marks as per the Academic Calendar and keep the parents informed if their marks are less than 50%

The counselors should meet their allotted students as per the Academic Calendar; assist the student in identifying and exploring ways to overcome academic barriers. They should maintain a written record of the same. They should follow the "General Counseling Flow Chart" for the same.

7. Once the student passes out, the faculty would write the closure remarks in the counseling file and handover the counseling file in the department.
8. All student recommendations should be based on the student counseling record
9. The Formats for Counseling record are given below.

Sample formats for data sheet, Academic record and Academic counseling , Advising Log and Early alert form of General Counseling

ii. Course Counseling

1. Course Counseling is to be done by every course coordinator for the course he/she is offering. It has to be done mid-semester preferably once for II-IV year students in the 10th week and twice for I year students, the week after class test 1 and class test 2 respectively.
2. The students need to be counseled based on their performance in assignments, tutorial and class tests.
3. For any student approaching for advice/problem solution, the course coordinator is required to maintain a record of student counseling.

Course Counseling Flow chart

Academic Difficulty Analysis Form And Academic Difficulty Advising formats are as follows;

ACADEMIC DIFFICULTY ANALYSIS FORM - 2

Factors which, in the judgment of the Faculty, are contributing to scholastic difficulty of the student in specific course/courses are recorded in this form. The counselor is advised to listen to the student problems giving the student full attention. Advise the student to the best of the ability and if required direct him/her to the clinical psychologist. Please check appropriate items.

Listen to the student problems carefully giving the student full attention. Advise him to the best of your ability and if required direct him to the clinical psychologist.

Also record the following:

1. The student is: regular/ moderately regular/irregular/not attended till date
2. The student is often Late to Class: Yes/No
3. The student maintains proper lecture notes/observation book: Yes/No
4. The student updates notes/observation book when absent: Yes/No
5. The student submits assignments/lab record on time: Yes/No
6. The student attends tutorial sessions and is able to solve problems: Yes/No
7. The student has not attended the class test: Reason

8. The student has a low scoring in class test 1: Score: _____
9. The student lacks basic mathematical background: Yes/No

Guidelines for agreed upon course of action

Course coordinator:

- Set new deadlines for completion of unfinished tasks.
- Provide or arrange to provide the student necessary help/advise/material to complete the task.
- Send the original report to Faculty Counselor.
- File a copy of the report for your record and provide a copy to the student.

iii. Career Counseling

1. Career Counseling is aimed at educating the student about the different career options available at the end of four years. This is done by a team consisting of placement coordinator of the department, the Head and 2 senior faculty members. Career counseling needs be done once in a semester for 2nd and 3rd year students.
2. The career counselor educates & provides assistance to a student for realizing professional goals like on-campus placements and higher studies.
3. As part of career counseling the placement coordinator assists the placement cell in organizing the campus recruitment training for the students at the end of III year II semester.

9.1.1 Online Mentoring / Counseling Portal

A new online mentoring and counseling portal has been developed by the institution and the same has been launched with effect from the academic year 2018-2019. The extensive paper work of the earlier mentoring / student support system was not meeting the expectation in full and here a need was felt to move away from laborious paper work and adopt a paperless format for counseling.

In the new format, a mentor has been allocated for every 10 students. The mentors are senior faculty of the Department and they shall continue for the full four years of students stay at the campus. This will help in the establishment of a mentor-mentee bond and also provide a single point of contact to the parents for the entire course duration. All information pertaining to the mentee is available on the portal through individual logins. The mentor is permitted to send SMS to the parents, students, HOD and psychologist directly through the portal in order to report the

students progress periodically. Similarly, the faculty is also provide login ID through which they can report issues to the mentor, HOD and psychologist directly.

As a routine, periodic attendance, internal assessment marks and important notices are sent through e-mail an SMS to the parents and the students. Information regarding parent-teacher meeting to apprise the parents regards the student's attendance and academic performance is also posted through the portal.
