Students were advised to focus on programming for problem solving thru programming languages like C, C++, Java, Python, and App development. Students were asked to prepare for the campus placement well in advance as the skills that would be tested are Quantitative, Analytical, English and Reasoning which are not dependent on engineering courses.

Further, the relevance of GATE examination and Telangana State PGECET for admission into Postgraduate program at IITs and state level universities was also discussed by Head of Department. The appropriate time frame for taking up Competitive exams like GRE, TOEFL/IELTS, GMAT, IES with cut off scores for getting admission into higher education institutes was provided. In conclusion, the various requirements for pursuing higher education in USA, UK, Australia, Europe and other foreign countries were highlighted. IT Department also organized "Department Campus Recruitment Training" (DCRT) for BE III year students during second semester for enhancing the programming skills by a team of in-house faculty members.
